

# **VI. List of Preparers**

---

## ***US 301 Project Development***

VI. List of Preparers

**Federal Highway  
Administration**

**Delaware Department  
of Transportation**

## **VI. LIST OF CONTRIBUTORS**

### **Delaware Department of Transportation**

Mark Tudor, P.E.  
Project Director

Therese Fulmer  
Manager Environmental Studies

Michael Hahn, A.I.C.P.  
Project Manager  
Section 106 Coordination

Tom Nickel  
Assistant Chief Real Estate North District

Drew Boyce, P.E.  
Assistant Director of Transportation Solutions  
for North District

Paul Meleri  
Real Estate and Property Acquisition

### **Federal Highway Administration**

Robert Kleinburd  
Environmental Program Manager

### **Urban Engineers**

Erika Rush, A.I.C.P.  
Project Manager

### **Rummel, Klepper & Kahl, LLP**

Bill Hellmann, P.E.  
Partner  
Project Manager

Jim Burnett, P.E., P.T.O.E.  
Traffic Engineer  
Traffic Forecasting and Analysis

Joe Wutka  
Project Manager  
Purpose & Need; Document Review

Jeff Kuttesch  
Transportation Engineer  
Traffic Forecasting and Analysis

Ray Harbeson, P.E.  
Associate

Matthew Snare, P.E.  
Traffic Engineer  
Traffic and Safety Analysis

**US 301 Project Development  
Draft Environmental Impact Statement  
November 2006**

Henry Bankard, Jr.  
Associate  
Graphics

Helen German, A.I.C.P.  
Environmental Planner  
NEPA Coordination; Document Preparation

Sara D. Finnerin, P.E.  
Project Engineer  
Design Alternatives and Document Preparation

B. Eric Almquist, A.I.C.P., P.W.S.  
Project Planner  
NEPA Coordination, Document Review

Katry Harris  
Environmental Planner  
Section 106 Coordination

George W. Tye  
Acoustic Engineer  
Noise Analysis and Document Preparation

Maggie M. Sunderland  
Environmental Planner  
Document Preparation and Review

Joseph A. Rauseo  
Acoustic Engineer  
Noise Analysis

Ryan Sless  
CADD/Graphics Coordinator

Brian Bollas  
Project Analyst  
Geographic Information Systems

Justin T. Reel  
Project Scientist  
Natural Resources

Kevin P. Hughes  
Senior Engineer  
Noise Analysis and Review

William Morgante  
Environmental Scientist  
Soils and Waters/Wetlands

Richard W. Maddox  
Natural Resources Group Manager  
Natural Resources Coordination

Brian M. Derenick  
Environmental Scientist  
Surface Water & Water Quality

Michael Schening  
Environmental Scientist  
Natural Resources Technical Review

Danielle A. Lange  
Environmental Scientist  
EIS Preparation and Review

Gene K. Bosley II, P.E.  
Senior Hydraulic Engineer  
Floodplains

Eric M. Klein, P.E.  
Geotechnical Engineer  
Groundwater Evaluation

Greg Siegner, P.G.  
Project Geologist  
Environmental Screening Analysis

Stephen Roberts  
Project Engineer  
Design Alternatives

**US 301 Project Development  
Draft Environmental Impact Statement  
November 2006**

**Wilson T. Ballard Company**

Tom Dopkin  
Design Engineer  
EIS Preparation (Air Quality)

Michael Kelly, P.E.  
Acoustical Engineer  
Air Quality Analysis

**Kramer & Associates**

Bob Kramer  
Public Involvement  
Community Outreach

Ed Thomas  
Public Involvement  
Community Outreach

Andrew Bing  
Public Involvement  
Community Outreach

**A. D. Marble and Company**

Jessica Morrow Klinefelter  
Certified Bog Turtle Surveyor  
Bog Turtle studies

Richard Baublitz  
Archaeologist  
Predictive Model Development

Barbara Frederick  
Senior Architectural Historian  
Section 106 Coordination
